Forecast For Grampian
Issued by Met Office Aberdeen
at 1600 on Thursday 09 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Frosty start for many Friday. Otherwise generally dry and bright.

This Evening and Tonight:
Cloudy with outbreaks of rain this evening, these clearing around midnight. Then dry overnight with long clear spells and, with winds easing, a touch of frost and icy patches developing. Minimum temperature -1 deg C (30 deg F).

Friday:
A chilly start to a bright and dry day with some long spells of sunshine, although the west may be rather cloudier at times. Mainly light winds. Maximum temperature 5 deg C (41 deg F).

Outlook for Saturday to Monday:
Bright, chilly start but rain spreading east Saturday morning, clearing later. Mainly dry with sunny spells through Sunday and Monday, although some overnight rain expected. Windy at times, especially Monday.
